

SOUVENIR

50th Anniversary

of

102d Regt. Pa. Vet. Vols.

(Old 13th)

AUGUST 17,
1861-1911

Comrades :—

Today you are called on to join with us in the celebration of the 50th anniversary of the organization of the glorious 102d or old 13th. As it was among the first to depart from Pittsburgh in response to President Lincoln's call for volunteers, so it is the first in the United States to celebrate its 50th anniversary. The vast majority of our members have answered the last Roll Call. We, who gather here today, while mourning their loss, are proud to know that the country for which they so gallantly fought still flourishes grander than ever, and the flag they so loved, floats even more proudly than ever, and is respected and revived wherever it may fly.

The little souvenir tendered you today is a reprint of the work of the Pittsburgh Dispatch Mess Co. A, Old 13th, and was published on the field of battle. Survivors or their families may find some reference to their loved ones by carefully perusing this pamphlet which is tendered you in the hope that you may be pleased and benefited.
